1

## Success Page

By adding a little snippet of code, you can integrate the Empowerkit Website Offer into your sign-up flow.

2

## Hosted Sign-up Page

When your new partners decide they want a website, they are directed to an Empowerkit signup page, where they can fill our form out.

3

## 7 Day Trial

By signing up, you partners get a full-access, 7-day trial, where they can test all the features in our easy to use state-of-the-art editor.

4

## Pick a Package

After the trial, your partners can select one of our different packages, depending on their needs.

5

Finally, your partners have their new website set up and can start enjoying the quality results that Empowerkit provides.
